Tom: F

INTRO 6x ( Bb Gm Dm C )

Bb Gm Dm  
Where have all the pictures gone  
C  
this place was home before you left  
Bb Gm Dm  
All my hopes, all my dreams  
C  
Tried to move on  
but I just couldn't feel my feet  
Bb Gm Dm  
Let her fly, into the sky  
C  
The tears remain under my eyes  
Bb Gm Dm  
Haven't seen her since that day  
C  
If I could reach her now  
this is what I would say...

Bb  
Wherever we go to  
Gm  
Whatever we do  
Dm C  
It's only me, It's only you  
Bb  
Wherever we go to  
Gm  
Whatever we do  
Dm C  
It's only me, It's only you

I would play this from the start

Wrote our names out on the tree  
Bb Gm  
Holding on, forever's arms  
Dm C  
Oh that innocence

It melts my heart  
Bb Gm  
Hand in hand, through fields of gold  
Dm  
I'd do the same  
C  
even when we get old  
Bb Gm  
Haven't seen her since that day

If I could reach her now  
C  
this is what I would say...
