

Alok - Wherever You Go (feat. John Martin)

tom:

Intro: Dm Bb F

[Estrofe 1]

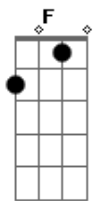

Dm I remember
 Bb Our last summer
 F When your heart met mine
 Dm We were diving
 Bb To the ocean
 F Always side by side
 Dm I hear your world's been getting colder, colder
 F But through it all I'll be your shoulder, shoulder
 Dm And even though we're getting older, older
 F Remember what we said

[Refrão]

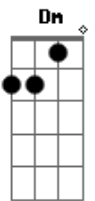

Dm That if the world was ending
 Bb F F You know I'll carry you home (You home)
 Dm I'll be the last man standing
 Bb F F To keep you safe from the storm (The storm)
 Dm Bb I'll be the light in your darkest night
 F F Until you know it will be alright
 Dm 'Cause if the world was ending
 Bb F You know I'll carry you home
 I'd go
 Wherever you go

(Dm Bb F)
