

Aloysio Leme - Feliz Aniversário

Tom: F

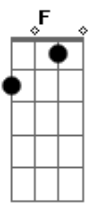

Hoje é o aniversário do meu bem
 Andei pensando num presente lindo pra lhe dar
 Mas tudo que eu pude encontrar ela já tem
 Não sei o que ela gostaria mais de ganhar
 Pensei fazer uns versos de amor
 Quem sabe uma canção

Mas no momento está me faltando certa inspiração
 Nem que eu tivesse o céu e as estrelas pra lhe oferecer
 Eu mostraria parte da emoção que sinto por você
 Feliz aniversário vamos fazer amor
 Quero lhe dar agora meu presente de maior valor
 Feliz aniversário desejo pra você
 Toda a felicidade desse mundo em forma de prazer
