

# Alhaville - Ain't It Strange

Tom: G

Ain't it strange that we destroy what we embrace  
 And we leave what we seek  
 It's such a shame  
 Ain't it strange that we smile when we cry  
 And no one knows why we are here  
 And where we're going to  
 Ain't it strange  
 We could be, we could be so good together  
 We could be, we could be so good together  
 Ain't it strange that we share what we hate  
 That we break what we love  
 It's such a shame  
 Ain't it strange when we pray we betray anyway  
 And no one knows what we are for  
 Why we're so tough why must hurt  
 When we're so fragile  
 Ain't it strange

We could be, we could be so good together  
 We could be, we could be so good together  
 Ain't it strange still we could fall into a dream  
 I'd wish no one will catch that fall for we could fall for love  
 Life is but a dream, life is but a dream  
 All the tears in the world not in vain for the pain is gone  
 The shame is washed away when we're all one  
 Life is but a dream, life is but a dream  
 It's hard to believe after thousand of years  
 The world's still drowning in blood and tears  
 We've been quite advanced but again we fail  
 It's dog eat dog on the rat rave trail  
 It's getting too much and we're getting nowhere  
 While hatred and fear is all that we share  
 I can't take it no more when I'm watching the news  
 We must stick together or we're bound to lose  
 Now listen to this.....  
 We could be, we could be so good together
