

Alhaville - Ain't It Strange

Tom: G

^{Em}
Ain't it strange that we destroy what we embrace ^{Bm}

And we leave what we seek ^{Em}

It's such a shame ^{Bm}

Ain't it strange that we smile when we cry ^{Em} ^{Bm}

And no one knows why we are here ^{Em}

And where we're going to ^{Bm}

Ain't it strange ^{Em} ^{Bm}

We could be, we could be so good together ^{Em}

We could be, we could be so good together ^{Bm}

Ain't it strange that we share what we hate ^{Em} ^{Bm}

That we break what we love ^{Em}

It's such a shame ^{Bm}

Ain't it strange when we pray we betray anyway ^{Em} ^{Bm}

And no one knows what we are for ^{Em}

Why we're so tough why must hurt ^{Em}

When we're so fragile ^{Bm}

Ain't it strange ^{Em} ^{Bm}

^{Em}
We could be, we could be so good together

We could be, we could be so good together ^{Bm}

Ain't it strange still we could fall into a dream ^{Em} ^{Bm}

I'd wish no one will catch that fall for we could fall for love ^{Em}

Life is but a dream, life is but a dream ^{Bm}

All the tears in the world not in vain for the pain is gone ^{Em} ^{Bm}

The shame is washed away when we're all one ^{Em}

Life is but a dream, life is but a dream ^{Bm}

It's hard to believe after thousand of years ^{Em} ^{Bm}

The world's still drowning in blood and tears ^{Em}

We've been quite advanced but again we fail ^{Bm}

It's dog eat dog on the rat rave trail ^{Em} ^{Bm}

It's getting too much and we're getting nowhere ^{Em}

While hatred and fear is all that we share ^{Bm}

I can't take it no more when I'm watching the news ^{Em} ^{Bm}

We must stick together or we're bound to lose ^{Em}

Now listen to this..... ^{Em}

We could be, we could be so good together ^{Bm}
