

# Alphaville - The Voyager

Tom: A  
Intro: DUÇÃO: E C D A

E C  
Now she's touched the earth -- you feel her love  
D  
A  
Pouring down like an endless rain of colours on your skin  
E  
C  
She descends out of the blue, a breathless victor of time  
D  
A  
After more than a million lightyears preparing her comeback  
E C  
And she's rushing in from the outside  
D  
A  
On the crest of the seventh wave  
A  
She's the crown of creation creating you  
Chorus:  
E  
The Voyager! is here to stay  
C

The Voyager! she's calling all stars  
D  
The Voyager! she's riding a rainbow  
A  
The Voyager! gives you the kiss of life  
E C  
Watch out, you can't ignore what's going on  
D  
A  
When your visions are drying out like the oceans of from the  
underworld  
E C  
Don't you know! Before you turn to stone  
D  
You better head out for a Royal trip to the Ivory city-side  
E C  
And she's rushing in from the outside  
D  
A  
On the crest of the seventh wave  
A  
She's the crown of creation creating you  
(chorus)
