

# Altaria - Unchain The Rain

tom:

Intro: Am F C G Am G  
Am F C G Am F G Am

Am G F  
We tread these paths of light so long

I'm right beside you just like thousand  
Am

Times before

I'm knocked at agony, I face a tragedy  
G F

That feeling, deceiving, that burning your  
G

Soul  
Dm

My kingdom come, my will be done  
Bb C G F  
E G

So join me fallen one  
Am

We'll drown our sorrow to this endless sea  
C G Am F G

Together we'll unchain the rain  
Am F

Escape the world into our sanctuary  
C G Am F G

There in my arms you'll be free  
Am G

Your guilt I will justify  
F G

I'll make you mine to have, to hold and  
Am

Embrace

A spark of mystery, the dark discovery  
G F

In your laws, my greatest victory  
G Dm

Closer a part, to offer hearts  
Bb C G F  
E G

Let us share the stars

## Acordes

Am F  
Drown your sorrow to my endless sea

C G Am F G  
Together we'll unchain the rain

Am F  
Escape the light into my sanctuary

C G Am F G  
There in my arms you'll be free

Bb Dm  
So may times we have been fallen

Bb F C  
So many times I've heard you swearing that we're through

Bb Dm  
As many times you have come crawling

Bb F C  
Cause noone else can ease your pain the way I do
