

Alter Bridge - Before Tomorrow Comes

Tom: D

I couldn't sleep I had to listen
 To a conscience knowing so well
 That nothing comes from indifference
 I look inside of myself
 Will I find some kind of conviction?
 Will I bid the hero farewell?
 Will I be defined by things that could have been?

I guess time will only tell
 I guess time will only tell

So don't let it be
 Before tomorrow comes
 Before you turn away
 Take the hand in need
 Before tomorrow comes
 You could change everything

(G D A)

I curse my worth and every comfort
 That blinded me for way too long
 Damn it all I'll make a difference from now on

Cause I'm wide awake to it all

Cause I'm wide awake to it all

So don't let it be
 Before tomorrow comes
 Before you turn away
 Take the hand in need
 Before tomorrow comes
 You could change everything

Does anyone care it ain't right what we're doing?
 Does anyone care it ain't right where we're going?
 Does anyone dare justify how we're living?
 Does anyone here care at all?

So don't let it be
 Before tomorrow comes
 Before you turn away
 Take the hand in need
 Before tomorrow comes
 You could change everything

We could be so much more than we are
 We could be so much more than we are
 We could be so much more than we are
 Oh this much I know
