VERSE:
                                                               gtr2
Fight the fight alone
                                                               PRE-VERSE: Db Ebm Bbm , Db Ebm Bbm
When the world is full of victims
        Ebm
                                                               gtr2 fade out
Dims a fading light
     Bbm
                                                               gtr1
In our souls
Db
Leave the peace alone
                                                               yeeeeeeeaaaaaaeeeeeeaaaaaaaa...aeeeeeeaaaahhhhhh....
How we all are slowly changing
                                                               gtr1
          Fbm
Dims a fading light
      Bbm
                                                               VERSE 2:
In our Souls
                                                               Cry ourselves to sleep
gtr1
                                                               Bbm
                                                               We will sleep alone forever
gtr1
                                                               Will you lay me down
                                                                     Bbm
                                                               In the same place with all I love
gtr1
                                                               Db
                                                                           Ebm
                                                               Mend the broken homes
gtr1
                                                               Care for them they are our brothers
                                                                          Ebm
                                                                                       Bbm
                                                               Save the fading light in our souls
PRE-CHORUS:
             Gb6
                                                               gtr1
In my opinion seeing is to know
the things we hold
                                                               gtr1
are always first to go
                                                               gtr1
Ab and who's to say F/9-
Ah
we won't end up alone
                                                               gtr1
gtr1
                                                               PRE-CHORUS:
                                                                            Gb6
gtr1
                                                               In my opinion seeing is to know
                                                               Ab
                                                               What you give
gtr1
                                                                    Gb6
                                                               will always carry you
                                         gtr2
                                                               And who's to say
                                                                  Gb6
CHORUS:
                                                               we won't survive it too
On broken wings I'm falling
                                                               gtr1
