

Alter Bridge - Life Must Go On

Tom: D
Intro: D A Bm G (Dedilhando)
(G Bm A) (x2)

Bm G
Sitting alone in the cold of the night
You're trying to find what you need to survive
You're so afraid
You can't go on

Bm G
Left in the silence that tears at your heart
They only remind you how broken you are
You've lost your way
But hope is not gone

D
Cause the sun always sets
A
The moon always falls
Bm
It feels like the end
G
Just pay no mind at all
D A
Keep rolling, rolling
Bm A G
Life must go on

(Bm G Bm G)

Bm G
Do you remember and long for the past
When love was eternal
And joy seemed to last
Yesterday
Forever is gone

D
Cause the sun always sets
A
The moon always falls
Bm
It feels like the end
G
Just pay no mind at all
D A

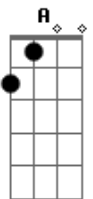

Keep rolling, rolling
Life must go on
Life must go on
Em
We have our misfortunes
G
The darkest of days
D A
We must endure and keep strong
Em
Just look to the morning
G
The promise awaits
D A
And know that this life must go on
