

Alter Bridge - Metalingus

tom:

Em

Em

D

A

I've been defeated and brought down
 Dropped to my knees when hope ran out
 The time has come to change my ways

Em

On this day

I see clearly

Everything has come to life

A bitter place and a broken dream

And we'll leave it all

Leave it all behind

I'll never long for what might have been

Regret won't waste my life again

I won't look back I'll fight to remain

Em

On this day

I see clearly

Everything has come to life

A bitter place and a broken dream

And we'll leave it all behind

Em

On this day

It's so real to me

Everything has come to life

Another chance to chase a dream

Another chance to feel

Chance to feel alive

Fear will kill me

All I could be

Lift these sorrows

Let me breathe

Could you set me free

Could you set me free

Em

On this day

I see clearly

Everything has come to life

A bitter place and a broken dream

And we'll leave it all behind

Em

On this day

It's so real to me

Everything has come to life

Another chance to chase a dream

Another chance to feel

Chance to feel alive
