

# Alter Bridge - Slip To The Void

Tom: **A**

Intro: **Db**

**Db**

Slip to the void  
To the dark  
To the fall

**Db**  
Crawl to the life you shouldn't know

**B**  
You should never come this way

**A7**  
To test the hands of fate

**Db**  
You don't belong here

**Db**  
Peel back the skin  
Close your eyes  
Hell is born

**Db**  
To the abyss, but be warned

**A7**  
You feel what you've become

**B**  
My God what have you done?

**Db**  
You don't belong here

**A7**  
But it's all in the way

**B**  
You touch and you obey

**Db**  
Deny

**A7**  
But it's all in the way

**B**  
You touch and you obey

**Db**  
Deny

Interlude: **B Db B Db B Db B Db B Db B** (2x)

**Db**

Sever the ties

**Gb D**

Trip the wire

**Db E D Db**

Dig your hole

**Db Gb D Db E D Db**

Doubt is alive and you know

**B**

You were once led to believe

**A**

You were young and so naïve

**Db Gb D Db E D Db**

And now no longer

**A E A**

But it's all in the way

**B2**

You turn your back today

**Db A**  
Left to face this alone

**Gb D Db**  
Left to die with nothing you can own

**Db A**  
Left to break in the cold

**Gb D**  
In the void that you made

**Db A E Db D Db**  
The moment you let love go

Interlude: **Db D Db D Db D Db D Db D Db D** (x4)

**E B**  
Try win back your days

**Gb E Db**  
You let them all escape your heart

(**Db D Db D Db D Db D E D Db**)

**E B**  
Now that you've come so far

**Gb E Db**  
Why did you have to fall so hard?

(**Db D Db D Db D Db D E D Db**)

**E B**  
Look at what you've done

**Gb E**  
What have you become?
