

# Alter Bridge - Watch Over You

tom:

A

Leaves are on the ground

Fall has come

Blue skies turning grey

Like my love

I try to carry you

And make you whole

But it was never enough

I must go

And who is gonna save you when

I'm gone

And who'll watch over you

When I'm gone?

You say you care for me

But hide it well

How can you love someone not

Yourself?

And who is gonna save you when

I'm gone

And who'll watch over you

When I'm gone?

And who'll watch over you

And when I'm gone who will break

Your fall

And Fan your flame

I can't go on let you loose it all

Its more then I can take

Who'll ease your pain

Ease your pain?

And who is gonna save you when

I'm gone

And who'll watch over

You

And I will give you strength

When you're not strong

Who'll watch over you when I'm

Gone away

Snow is on the ground

Winter's come

You long to hear my voice

But I'm long gone
