

Altos Louvores - O Verdadeiro Amor

tom:

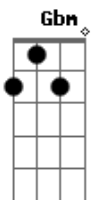

Intro: Bm E7 E D Gbm

O verdadeiro amor que tanto procurei
 Mas não encontrei, pois não sabia onde procurar
 Um dia me encontrou
 E minha cruz levou
 E agora posso sim sorrir Ouuuuh
 O verdadeiro amor me estendeu a mão
 Me deu a salvação
 E transformou meu coração

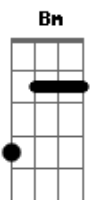

E me fez entender que eu não poderei viver

Sem Ele ao meu lado a me proteger
 O verdadeiro amor
 Me estendeu a mão
 O verdadeiro amor
 Me deu a salvação
 O verdadeiro amor
 Por mim morreu na cruz
 O verdadeiro amor
 É o meu Jesus
