

## Alvvays - Archie, Marry Me

```
Intro: (7x) (7x) (7x) (7x) (7x) (7x) (7x)
                                                                                                                                                                                                                                                                                                                                                                                                                                           G Hey hey
                                                                                                                                                                                                                                                                                                                                                                                                                                                                  Marry me Archie
 You've expressed explicitly your contempt for matrimony
                                                                                                                                                                                                                                                                                                                                                                                                                                                                  Marry me Archie
 You've student loans to pay and will not risk the alimony
                                                                                                                                                                                                                                                                                                                                                                                                                                                                   Solo: G D Am C (2x)
 We spend our days locked in a room content inside a bubble G D Am (
 And in the nighttime we go out and scour the streets for
                                                                                                                                                                                                                                                                                                                                                                                                                                                                  Too late to go out
                                                                                                                                                                                                                                                                                                                                                                                                                                                                    .....Too young to stay in
 Hey hey
                                                                                                                                                                                                                                                                                                                                                                                                                                                                   They're talking about
 Marry me Archie
                                                                                                                                                                                                                                                                                                                                                                                                                                                                    .....Us living in sin
 Hey hey
                                                                                                                                                                                                                                                                                                                                                                                                                                                                  Hey hey
 Marry me Archie
                                                                                                                                                                                                                                                                                                                                                                                                                                                                  Marry me Archie
During the summer take me sailing out on the Atlantic G D Am
                                                                                                                                                                                                                                                                                                                                                                                                                                                                  Hey hey
 I won't set my sights on other seas there is no need to panic
                                                                                                                                                                                                                                                                                                                                                                                                                                                                   Marry me Archie
 So honey take me by the hand and we can sign some papers % \left( 1\right) =\left\{ 1\right\} =\left
 G D Am C C Forget the invitations, floral arrangements and bread makers
                                                                                                                                                                                                                                                                                                                                                                                                                                                                  Hey hey
