

Amanda Hikague - Make Me Sick

tom:

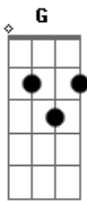

Intro: Bm G Gb
 I've been angry for a long time
 Letting anyone cross my lines
 Denied compliments to see you thrive
 I suffocated as you breathed fine
 The world is old and I'm innocent
 Believed in every shitty fairytale
 But now that I'm grown
 I will let you know
 That you make me sick
 You make me wanna scream until I can't speak
 Done being your doll
 Cause I'm way more than what you sold me for
 You make me mad
 In a way that no one ever has
 I have followed all the the rules
 Trying everything to fit your shoes
 Enjoyed discomfort with a pretty smile
 I've hurt myself like I could never die

But now that I'm whole
 I must let you know
 That you make me sick
 You make me wanna scream until I can't speak
 Done being your doll
 Cause I'm way more than what you sold me for
 Failed to erase me, came back to play me
 You tainted my name as it would be alright
 Watch you run like a baby, deny all your sayings
 Taking the blame has never crossed your mind
 But now that I'm grown
 I will let you know
 That you make me sick
 You make me wanna scream until I can't speak
 Done being your doll
 Cause I'm way more than what you sold me for
 You make me mad
 In a way that no one ever has
 Ooh, you make me sick
 Ooh, you really are sick
