Time

Is the reason why we fight to stay alive
Until the morning comes

Em
It's a strife

But the shimmer in your eyes just makes me know
That you and I belong

And you can light the dark all by your own
So let us show the world our love is strong

[Refrão]

Em
Like a sign
Like a dream

You're my amaranthine
You are all needed, believe me
Like we drift in a stream

Your beauty serene
There's nothing else

In life I ever need
My dream, amaranthine

[Segunda Parte]

Em
Time

Goes by as day and night are turning into years
But I'm living in your arms

It's the place

Where I know that I am closest to your heart

Where the dark is torn apart

I know you feel the same is inside
It feels like in a dream where we can fly

[Refrão]

Em
Like a sign
Like a dream

You're my amaranthine
You are all needed, believe me
Like we drift in a stream

Your beauty serene
There's nothing else

In life I ever need
My dream, amaranthine

[Terceira Parte]

It's a strife

But the shimmer in your eyes
Just makes me know

You're my amaranthine

[Refrão]
