^{Em} G D B
 All day long I sit by the riverside
^{Em} D C B
 Watching the sunrise and the colours it brings
^{Em} G D B
 Here I can sing, 'cause there's no one around
^{Em} D C Em
 Some birds fly above me, flying so free

^{Em} G D B
 Remember an angel as she sat beside me
^{Em} D C B
 Here by the riverside
^{Em} G D B
 I looked into her big blue eyes and loved her like rain
^{Em} D C Em
 Then she flew away like the bird she was before

^{Em} G D B
 I saw her flying into the sunset

 As the sky turned to black and she faded from view
^{Em} G D B
 Next morning by sunrise I watched and waited
^{Em} D C Em

Waited for the bird that was my angel within'

^B C B
 But she never returned
^C B
 And I'm still waiting
^C
 Where is she
^D ^{Em}
 Is she gone
 (G F)

^{Em} G D B ^{Em} D C ^{Em}
 Was she murdered by a man, thinking that she was just some
 bird
