Intro: Bm   G7M  Em7   G7M

 Bm7        G7M               Em7  G7M
Hold me like you did before
 Bm7        G7M                       Em7
Don?t speak, we?ll keep this quiet till dusk
G7M
We don?t need to care no more, no more
Bm
You don?t like lights
G7M                         Em7
  You?d rather stay for the night
              Em7
We can?t seem to fight it
Bm              G7M
I see it in your eyes

You know you can?t deny
Em7                           G7M
The ease to take all the burden put them aside

            Bm
Nobody has to know
                  G7M
What?s behind these closed doors
            Em7
Nobody has to know
                  G7M
Everything that we plan on fighting for
         A        Bm
Nobody has to know
Bm7            G7M
We don?t need say the places we can go
       Em7
Please just hold me in your arms
       G7M              Bm
And I?ll make sure to dry your tears

  Bm
We don?t need to run
              G7M
We don?t need to hide
                       Em7
We don?t need to keep on choosing sides

(But here we stand again)
G7M
We can?t seem to fight it
Bm              G7M
I see it in your eyes

You know you can?t deny
Em7                           G7M
The ease to take all the burden put them aside

            Bm
Nobody has to know
                  G7M
What?s behind these closed doors
            Em7
Nobody has to know
                  G7M
Everything that we plan on fighting for
         A        Bm
Nobody has to know

[Bridge]

(Nobody has to know
G7M
Nobody has to know)
                  Em7
No nobody has to

(Nobody has to know
G7M
Nobody has to know)
                Bm
Nobody has to

(Nobody has to know
G7M
Nobody has to know)
                      Em7
Nobody has to know, yeah

(Nobody has to know)

Nobody has to know

            Bm
Nobody has to know
                  G7M
What?s behind these closed doors
