

# Amber Van Day - Kids In The Corner

tom:

G  
We're a product of a system in a world that never listens  
To the messed up truth

Bm Em  
We're a burden and a blessing and we keep you second-guessing  
That's what we do, yeah

Bm Gbm  
We're the kids in the corner  
We don't look like you  
We're the kids in the corner  
We ain't taking shit from you, nah, nah  
Em A  
We know we go to dirty places  
To find familiar faces  
Lost in another life

Em  
To forget that we ain't fine  
(Never ever break alone)  
A  
(Never ever let you break alone)

G  
We're the kids in the corner  
Bm D  
Wear our heroes on our clothes  
G  
Together, we feel a little warmer  
Bm A  
'Cause we're the only ones who knows  
G A  
That we all cry from time to time  
Bm A G  
In the dark, our eyes still shine  
A  
'Cause we're the kids in the corner  
Bm  
All our heroes never die  
Bm A E  
Die, die, die, die

Bm  
All our heroes never die  
Bm A E  
Die, die, die, die  
Bm  
Put your hands around our throat, call us "generation broke"  
G A  
But you won't silence us (Yeah, yeah)  
Bm Gbm  
While you wonder how we're stable while we're dancing on the tables

G A  
All push and shove It's because  
Em A  
We know we go to dirty places  
Bm  
To find familiar faces  
A  
To know we ain't alone-lone  
G  
We're the kids in the corner
