

Amel Larrieux - Make Me Whole

Tom: D

A Dbm A
 Darling I want you to listen
 Bm7 D E
 I stayed up all night, so I can get this thing right
 A Dbm A
 And I don't think there's anything missing
 Bm7 D E
 Cause a person like you, made it easy to do
 D Bm7 E Dbm Db
 I've waited for so long, to sing to you this song

D E
 Cause your eyes are the windows to heaven
 Gbm E D
 Your smile could heal a million souls
 D A D A
 Your love completes my existence
 Bm7 E
 You're the other half that makes me whole
 D
 You're the only other half that makes me whole

(verse CHORDS)
 I think the angels are your brothers, yeah
 They told you about me, said you're just what she needs
 And I find myself thanking your mother
 For giving birth to a saint

My spirit flies when I say your name
 If there's one thing that's true
 It's that I was born to love you

(chorus chords)
 Cause your eyes are the windows to heaven
 Your smile could heal a million souls
 Your love completes my existence
 You're the other half that makes me whole
 D G-A
 You're the only other half that makes me whole

(G-A)
 (verse chords)
 You make my dreams
 Come true over and, over again
 And I honestly truly believe
 You and me are written in the stars
 I live my whole life through
 To giving thanks to you

(chorus chords)
 Cause your eyes are the windows to heaven
 Your smile could heal a million souls
 Your love completes my existence
 You're the other half that makes me whole
 You're the only other half that makes me whole
