

# Amelinha - Água e Luz

Tom: C

De manhã, acorda pensamento e voa devagar  
 Revela o sentimento que se esconde no olhar  
 Não tem porque temer se tanta  
 E...mo...ção  
 Pode falar por nós e ser a nossa voz  
 E é assim que eu te sinto perto de mim  
 Como a gente quis, ser feliz  
 Sem ter mais que explicar a razão só ser

Respirar nosso cheiro de amor, nosso ar  
 Nunca mais parar, céu e chão  
 Todo dia desejo e a fascinação  
 Água a luz reflexo de uma estrela  
 Na beira do mar lágrimas segredo que se  
 Esconde no olhar  
 Estou perto de ser bandido ou herói  
 Perdido na ilusão dentro do seu coração  
 E é assim...
