

America - Foolin'

Tom: E

(intro) E Dbm E Dbm E

B Dbm E

You let me follow you around
 aint drop stand us in the town

Dbm B

well I didn't know your name
 there's no truth in what you clame
 so I think you better stop this foolin round

Dbm E

I think it's call unless unborn
 we moan so cause suddenly turned

Dbm E

please stay in on your own
 Dbm E
 got no place to call your home
 so I think you better stop this foolin round

Dbm Ab A

Now it's my time to make a man
 hope my missis top-top in
 and hope is doesn't

(solo) E Dbm E

Drop you around the bend

Dbm B

Keep standing on your own
 Dbm B
 got no place to call your home
 so I think you better stop this foolin round (3x)

Acordes

The diagram illustrates the fretboard positions for six chords: E, Dbm, B, Ab, A, and Gb. Each chord is shown with a grid representing the four strings and four frets. Filled circles indicate the frets to be pressed, and horizontal bars indicate strings to be muted. The source 'ukulele-chords.com' is noted for each diagram.
