

# America - Sandman

Tom: C

<sup>Am</sup>  
 Ain't it foggy outside,  
 all the planes have been grounded.  
<sup>Am</sup> <sup>F</sup>  
 Ain't the fire inside?  
<sup>Em</sup> <sup>Em</sup> <sup>Am</sup>  
 Let's all go stand around it.  
<sup>D</sup>  
 Funny, I've been there,  
<sup>G</sup>  
 and you've been here  
<sup>Am</sup>  
 and we ain't had no time to drink that beer.  
<sup>Am</sup>  
 'Cause I understand you've been running from the man  
<sup>D</sup> <sup>Am</sup>  
 that goes by the name of the Sandman.  
 He flies the sky like an eagle in the eye  
<sup>D</sup> <sup>Am</sup>  
 of a hurricane that's abandoned.  
<sup>Am</sup> <sup>Am</sup> <sup>F</sup>

Ain't the years gone by fast,  
<sup>Em</sup> <sup>Em</sup> <sup>Am</sup>  
 I suppose you have missed them.  
<sup>Am</sup> <sup>F</sup>  
 Oh, I almost forgot to ask,  
<sup>Em</sup> <sup>Em</sup> <sup>Am</sup>  
 did you hear of my enlistment?  
<sup>D</sup>  
 Funny, I've been there,  
<sup>G</sup>  
 and you've been here  
<sup>Am</sup>  
 and we ain't had no time to drink that beer.  
<sup>Am</sup>  
 'Cause I understand you've been running from the man  
<sup>D</sup> <sup>Am</sup>  
 that goes by the name of the Sandman.  
 He flies the sky like an eagle in the eye  
<sup>D</sup> <sup>Am</sup>  
 of a hurricane that's abandoned.  
<sup>Am</sup>  
 I understand you've been running... (repeat and fade)
