Tom: **E♭**  
Intro: **Cm** **A♭ Cm** **A♭ B♭ Cm**

When the **Cm** last eagle flies over the **A♭** last crumbling **B♭** mountain  
And the **Cm** last lion roars at the **A♭** last dusty **B♭** fountain  
In the **Cm** shadow of the **Gm** forest though she **A♭** may be old and **Cm7** worn  
They will **Cm7** stare unbelieving at the **A♭** last **B♭** unicorn

When the **Cm** first breath of winter through the **A♭** flowers is **B♭** icing  
And you **Cm** look to the north and the **A♭** pale moon is **B♭** rising  
**Cm** **Gm** **A♭**

**Cm7**  
And it seems like all is dying and would leave the world to  
mourn

**A♭** **Cm7** **A♭** **B♭**  
In the distance hear the laughter of the last unicorn

**Cm7** **B♭ Cm Gm A♭ B♭**  
I'm alive, I'm alive

**Cm** **A♭** **B♭**  
When the last moon is cast over the last star of morning  
**Cm** **A♭** **B♭**  
And the future has passed without even a last desperate  
warning

**Cm** **Gm** **A♭** **Cm7**  
Then look into the sky where through the clouds a path is torn  
**A♭** **Cm7** **A♭** **B♭**  
Look and see her how she sparkles, it's the last unicorn

**Cm7** **B♭ Cm Gm A♭ B♭**  
I'm alive, I'm alive
