

America - Till The Sun Comes Up Again

Tom: A

Think to whrite a different song
 I've got the feeling it might take a long time

sing it over again
 can't recall just how it used to be
 voices across the sea

Will she come to me
 to keep me company

hold on till the sun comes up again

Got to take the good with the bad
 sometimes I wish I never had my say

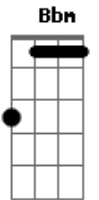

Always cost that way
 reept just a, what i feel today
 voices across the way

Will she come to me
 to keep me company
 hold on till the sun comes up again
