

# America - Till The Sun Comes Up Again

Tom: A

Think to whrite a different song  
 I've got the feeling it might take a long time

sing it over again  
 can't recall just how it used to be  
 voices across the sea

Will she come to me  
 to keep me company

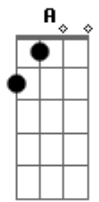

hold on till the sun comes up again

Got to take the good with the bad  
 sometimes I wish I never had my say

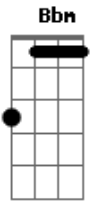

Always cost that way  
 reept just a, what i feel today  
 voices across the way

Will she come to me  
 to keep me company  
 hold on till the sun comes up again
