Am C  
I'm born to run down rocky cliffs  
Em F  
Give me grace, bury my sins  
Am C  
Shattered glass and black holes  
Em F  
Can't hold me back from where I need to go  
Am C  
Yellow hills and valleys deep  
Em F  
I watch them move under my feet  
Am C  
Stranger things have come and gone  
Em F  
To see the world and take the throne

N.C.

Don't hold back  
Oh, I won't hold back

Am C  
I'm gonna live my life like I'm gonna die young  
Em F  
Like it's never enough, like I'm born to run  
Am C  
I'm gonna spend my time like tomorrow won't come  
Em F  
Do whatever I want like I'm born to run  
Am C  
I wanna see Paris, I wanna see Tokyo  
Em F  
I wanna be careless even if I break my bones  
Am C  
I'm gonna live my life like I'm gonna die young  
Em F  
Like it's never enough, like I'm born to run  
Am C  
A winding road where strangers meet  
Em F  
To feel the love of a warm drink  
Am C  
My body moves, it's speaking loud  
Em F  
Don't have to say what I'm thinking now
