

Amira Elfeky - Tonight

tom: [Intro] B Ebm

B Ebm G B Ebm
Bb B Ebm

B
You take away this pain from me
The memories that haunted me

B
Your smile is like a breath of air
I held it in to feel you here

B
You watched the light leave from my eyes
And wiped my tears when I would cry

B
No, I can't stay and watch you leave
I close my eyes to feel you here

B
I can not believe you're mine
I'll kiss you for the thousandth time Ebm

B
You run your fingers down my spine
Heart to heart we intertwin? Ebm

B
You're everything I've ever wanted
If you die I hope you haunt me Gb Ebm

B
No I can't stay and watch you leave
I close my eyes to feel you here Ebm Gb Ebm
