Comments:

This song was quite annoying to tab, at some parts of the song the guitarist seems to be toying with tremolo lasts. With this song you need to time everything I am sure i got this right, Im really sorry I didn't have the patience to secure the timing but if you need help contact me, im more than willing to help. This tab is done by hand so

Intro: Gtr I

The Outro is really confusing sometimes, its not tremelo work, its just fast alt. Picking.
