

# Amos - Memories

tom:

Ab

To sleep

Without the fear to dream

To dream about you, my friend

To try

To forget the past

Dark past for me, for you

The time

Will soon erase my pain

The pain of the sudden loss

But you will always be

In my memories in my heart

I remember your eyes

Ab Eb

Looking to this world with love

Bbm Fm

I remember your face

Ab Eb

Cheerful and hopeful

Bbm Fm

I miss you

Ab Eb

Ab Ebm

Soon we will be together again
