tom:

Intro: C E7 Am D Dm G
 Em Am Dm G
 C E7 Am D Dm G C G

Do Logos ao arco celeste Iniciando todo o mistério

Deus tinha um plano de redenção

Para um povo especial

Escolhido pra vencer A fim de receber de Deus a manifestação

E assim cavalga O caminho novamente

Vem viver o caminho de Deus

[Refrão]

Ele desceu à Terra por amor Manifestando o Seu poder
 Nele estava toda a redenção Estamos livres da escravidão

Este é o tempo De tomarmos possessão

Não estamos conformados com este mundo

Mas o nosso entendimento Tem sido renovado

E está nos transformando para vivermos a agradável e perfeita

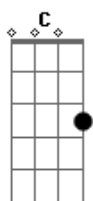

Vontade de Deus

Vem viver a vontade de Deus
