

Amy Winehouse - Hey Little Rich Girl

Tom: A

Mum bought you a fur coat when you were fifteen
 You wore it to the disco, where everyone was in jeans

But you were a rich girl, and only having fun
 Your worn out dresses, got stares from everyone
 Hey, little rich girl where did you go wrong?

You left for London, when you were nineteen
 Had to pull off your nice clothes, just living on dreams
 A man in the bright lights took all that you own
 Now he's taken your freedom for a fate unknown

But you were a rich girl, hardly having fun

Your worn out dresses, brought stares from everyone
 Hey, little rich girl where did you go wrong?

Hey, little rich girl you've been away for so long
 And now little rich girl, my words are in this song
 Hey, little rich girl my love for you is gone
 And now little rich girl, I know where you went wrong

At your dad's office party all the movies were blue
 Caused him so much heart ache, because the screen star was you
 You left for London, when you were nineteen
 Had to pull off your nice clothes, but you were living on dreams

You were a rich girl, and only having fun
 But your worn out dresses, brought stares from everyone
 Hey, little rich girl where did you go wrong?
 Hey, little rich girl where did you go wrong?
 Hey, little rich girl where did you go wrong?
