Tom: C  
Intro: D7M Bm

Bm7  
Today, my bird flew away,  
Am7  
Gone to find her big Blue Jay.  
Bm7  
Starlight before she took flight,  
Am7 C  
I sang a Lullaby Of Birdland everynight.

Bm7 C  
I sang a lullaby everynight,  
Bm7 C  
Sang for my Ava everynight.

Em C#m7b5 Gb7 B7  
Ava was the morning, now she's gone,  
Em C7M Am7 D7  
She's re-born like Sarah Vaughan.

Em C#m7b5 Gb7 B7  
In the sanctuary, she has found,  
Em C7M Am7 D7  
Birds sur-round, her sweet sound.

Bm7 C  
And Ava flies, in paradise,  
Bm7 C  
And Ava flies, in paradise.

Bm7  
With dread, I woke in my bed,  
Am7  
To shooting pains up in my head.  
Bm7  
Lovebird, my beautiful bird,  
Am7

Spoke until one day,  
C  
She couldn't be heard.

She spoke until one day,  
C  
She couldn't be heard,  
Bm7 C  
She just stopped singing.
