

# Ana Areias - Flaneur

Tom: G

m

Flanar, seguir no caminho mais lento, contra o tempo

Planar, tomar um atalho no alto, contravento

Voar na vida que passa por quem passa desatento

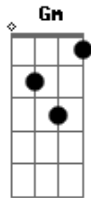

Sorrir da brisa do olhar preguiçoso morder pra valer o gozo  
 Fazer cada instante durar

Vagar, fugir desse passo louco da pressa perversa que avexa  
 Na vida meu tempo é outro
