

Ana Lúcia (Católicas) - Livre

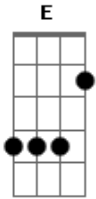

tom:

E

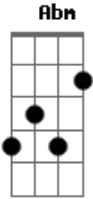

Se tu te converteres eu te converterei
 E na minha presença ficarás
 Separe o que é bom e o que não te convém
 Então serás a minha voz
 Muralha fortificada eu te farei

Lutarão contra ti mas não te vencerão
 Das garras do inimigo te livrarei
 Pra sempre livre serás
 Livre para sempre
 Livre, completamente
 Livre de todo o mal (2x)
