Anderson Bizzocchi - Boate Azul (Metal Cover)

And all the memories look the same tom: Am And now I can even remember her name Δ Δ7 D The lady in blue, the flower in the night Am Love is a disease Dm With all this pain But I know, the night life There is only one way Can give me the cure Am To get rid of the blues With the flower in the night F At the Blue Nightclub At a nightclub I?ll try to forget F Which I can?t remember for sure All the things Dm With all this pain Am A7 I?ve been through There is only one way Dm And when the night To get rid of the blues F Is dying because At the Blue Nightclub Of the first light of dawn I?ll try to forget Е All the members of nightlife are gone All the things Am A7 Am A7 They all went to sleep I?ve been through Dm The lady of the night Dm And when the night Who was by my side Is dying because Am Also went away Of the first light of dawn They shut the door F All the members of nightlife are gone Just like before Am A7 They all went to sleep Α I had to leave Dm The lady of the night E But how can I leave Who was by my side D If I don?t have anywhere else to go Am Also went away Where is this place? They shut the door Honestly, I don?t know F Just like before D Across the town Α I had to leave F On the south side But how can I leave F I drank too much D If I don?t have anywhere else to go D And all the memories look the same Where is this place? And now I can even remember her name Honestly, I don?t know Δ Δ7 D The lady in blue, the flower in the night D Across the town D On the south side The lady in blue, the flower in the night D F I drank too much The lady in blue, the flower in the night Α Acordes ukulele-chords.com ukulele-chords.com ukulele-chords.com ukulele-chords.com ukulele-chords.com ukulele-chords.com ukulele-chords.com ukulele-chords.com
