

# André Coruja - Ghosts

tom:

Intro: **Dbm7** **Dbm**

**Dbm7** **Aadd9** **Abm**  
Once more they left

**Dbm7** **Aadd9** **B**  
As fast as they came

**A** **Abm** **B**  
That old car leads where it wants to

**A**  
They've lost control

**Dbm7** **Aadd9** **Abm**  
There was no need to beg

**Dbm7** **Aadd9** **B**  
They got out on their own

**A** **Abm** **B**  
My dog sees through, it's only me there

**A** **Abm** **B**  
They couldn't find a scarred face to scare

**A**  
Behind the mask

**E7M**  
This is how I open my heart

**A7M** **E7M**  
A look around, eyes from no one

**A7M** **E7M**  
A blooming flower inside an empty house

**A7M** **B7** **Gbm7** **E**  
Now that all the ghosts are gone

**A7M** **E7M**  
Uuuuuuu

**A7M** **E7M**  
Uuuuuuu

**A7M** **E7M**  
Uuuuuuu

**A7M** **B7** **Gbm7** **E**  
Uuuu

**Dbm7** **Aadd9** **Abm**  
But once more they left

**Dbm7** **Aadd9** **B**  
As fast as they came

**A** **Abm** **B**  
That old car leads where it wants to

**A** **Abm** **B**  
That old car leads where it wants to

**A**

They've lost control

**E7M**  
And this is how I open my heart

**A7M** **E7M**  
A look around, eyes from no one

**A7M** **E7M**  
A blooming flower inside an empty house

**A7M** **B7** **Gbm7** **E**  
Now that all the ghosts are gone

( **Dbm7** **Aadd9** **Abm** **Aadd9** )  
( **Dbm7** **Aadd9** **Abm** **Aadd9** )

**Dbm7** **Aadd9**  
Break the silence, slamming doors

**Abm** **Aadd9**  
Spinnin' round, trembling floors

**Dbm7** **Aadd9**  
Pour the potion, we need to store

**Abm** **Aadd9**  
Hide the gold, here comes the war

**Dbm7** **Abm**  
They shoot muscles, we shout brain

**Aadd9** **Dbm7**  
All at once, we try again

**Dbm7** **Abm**  
They set fire, we eat the flame

**Aadd9** **B**  
They loosen up, we keep it strained

**A7M** **E7M**  
Ooo o oo

**A7M** **E7M**  
Ooo o oo

**A7M** **E7M**  
Uuuuuuu

**A7M** **E7M**  
Uuuuuuu

**A7M** **E**  
This is how I open my heart

**A7M** **E**  
A look around, eyes from no one

**A7M** **E**  
A blooming flower inside an empty house

**A7M** **B7** **Gbm7** **E**  
Now that all the ghosts are gone

**A7M** **B7**  
Now that all the ghosts

**A7M** **B7** **Gbm7** **E**  
Now that all the ghosts are gone

## Acordes
