tom:

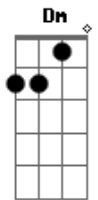

Intro: Aadd9 D7M Dm

Aadd9 D7M Dm Dbm7 Dm  
 Não adiantou de nada  
 Pegar a estrada e vir pra esse lugar  
 Você me apareceu na noite passada  
 Num pouso de emergência sem me avisar  
 Cruzou o meu espaço invadiu meu sonho  
 Levou todos os planos pra te conquistar  
 O que você quer de mim  
 Me iludir, me acordar  
 E me deixar ruim

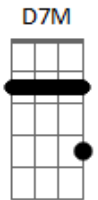

( Aadd9 Dbm7 D7M Dm )

Aadd9 Dbm7  
 Como posso ter te perdido
