

André Moura AlmaGuitars - My Own Enemy

Tom: A

m

Here I've heard the voice of hope
 But now it's time to deal with life
 This way, endeavor, I try to find myself

As time goes by, am I losing my mind?
 Thirst to see

See the life I left behind
 I need to lock the beast inside
 Suffer, agony, sins of life
 Wasn't me....I'm my own enemy!
