

André Valadão - Num Berço de Palha

Tom: G
Intro: Gb Db B

Num berço humilde jesus nasceu

Estrelas brilhando banhavam de luz,
O lindo infante, menino jesus.
Mugiram os bois e jesus despertou,

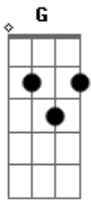

Jesus, eu te amo; com teu terno olhar,

Vem, guarda meu sono, meu terno sonhar.

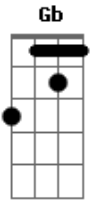

Aumenta o tom para meio tom (g)

Jesus, eu te peço que veles por mim
Amando-me sempre, guardan-----do-me as---sim.
A todos meninos vem dar proteção
E leva-nos todos à tua...
mansão.
