Things to replace

All of your stuff

^G ^D
There's a ghost in my brain

[Refrão]

^A
In a house that's divided
^{Bbm-}
There's no use in fighting when

You're already down on your knees

^D
So please
^{D7M}
Be careful with me
^{D7}
You're holding my heart
^G
Just let it down easy

[Segunda Parte]

I wait for your phone call

^D
Or a letter to come
^G
But you must've found

Yourself a new someone

She does her hair oh
^G
Give it a while
^G ^D
You just won't care
