

# Andrea von Kampen - Let Me Down Easy

Tom: D  
Intro: D

[Primeira Parte]

<sup>D</sup>  
The top drawers are empty  
<sup>D</sup>  
I don't have enough  
<sup>G</sup>  
Things to replace  
<sup>G</sup> <sup>D</sup>  
All of your stuff  
  
<sup>D</sup>  
And nothing's the same but  
<sup>D</sup>  
The memories remain oh  
<sup>G</sup>  
They're haunting, the closets  
<sup>G</sup> <sup>D</sup>  
There's a ghost in my brain

[Refrão]

<sup>A</sup>  
In a house that's divided  
<sup>Bbm-</sup>  
There's no use in fighting when  
<sup>Bm</sup> <sup>G</sup>  
You're already down on your knees

<sup>D</sup>  
So please  
<sup>D7M</sup>  
Be careful with me  
<sup>D7</sup>  
You're holding my heart  
<sup>G</sup>  
Just let it down easy

[Segunda Parte]

<sup>D</sup>

I wait for your phone call

<sup>D</sup>  
Or a letter to come  
<sup>G</sup>  
But you must've found  
<sup>G</sup> <sup>D</sup>  
Yourself a new someone

<sup>D</sup>  
And maybe you like how  
<sup>D</sup>  
She does her hair oh  
<sup>G</sup>  
Give it a while  
<sup>G</sup> <sup>D</sup>  
You just won't care
