

Andrew Applepie & Bjurman - May Your Eyes Cry

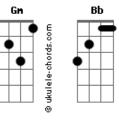

tom: Cm Eb Gm I affect the light that surrounds me Early in the morning, it's break in me Ab Can you feel whats's to come? Peel me like an onion Your eyes cry When you call my name I move in circles Left, right, side to side, oh mad When you call my name I move in circles Ab Fm So may your eyes cry Bb Your eyes cry

Darker than the devil, we've been hurrying Cm Bb The wrong gods Ah Darker than the devil, we've been here Beautiful this queen I'm tripiing like a ballerina When you call my name I move in circles When you call my name I move in circles Bb When you call my name I move in circles Left, right, side to side, oh mad Cm When you call my name I move in circles Ab Fm So may your eyes cry Bb Your eyes cry
