

Andrew Belle - Make It Without You

Tom: Db

(forma dos acordes no tom de C)
Capostrate na 1ª casa

This is the starting of my greatest fear
I'm all packed up, getting out of here
But then you call and tell me not to go
That i'm the one who put the rock n roll
In your life

This is the starting of a brand new day
I never liked this town much anyway
I need this city like i need the rain
I know that somewhere there's a north bound train

Oh I'll make it without you
Oh i'll make it without you
And though my bodies laying here

It's my mouth that must be lying now

This is the starting of my fall from grace
My self esteem, it's seen better days
But you know i'll never let this go to waste
I'll keep this memory on the map i trace
Back to home

My friends go out, but i've been staying in
I know i should but that's the way it's been
I never cared much for the taste of gin
I still don't now, oh, but it's been helpin

Oh I'll make it without you
Oh i'll make it without you in my life
And though my bodies laying here
It's my mouth that must be lying now
