I missed that times when we got high from our thoughts

[Refrão]

D D7M G7
'Cause losing a friend is worse when youre wrong, oh

A7 D
The silence let me die alone

D G7
I'm stuck in the past, I'm blind by my head

A7 D
And if you know what I mean, you can tell that I am sad

[Verso]

D
Hey friend, I can tell that you've been kinda alone

G
In your shed, you think that you're a goner

Bm
Don't be scared, I be carrying the light

A
And even though I be crying and got my own mess to hide

D
I try to make you see what you don't seem to see

G
Because you've been waging wars inside of your

Bm
Treehouse that now is burned down

A D
Now tell me why your hands smell kinda like gasoline

D
Running away from my fears

Em
They got me off my way

G D
But they told me is gonna be ok

D
The sky is so grey

Em
The night came right in my way

G D
Please, stay

D Em
I know you are so tired, I see you are so grey

G D
I know you got some bruises, so they say

D Em
I know you ain't so happy now, told me you'll be ok

G D
I knew you wasn't doing so good when i saw the clouds and the rain
