Andrew Jackson Jihad - Growing Up

Tom: G

```
          G                           D
Growing up, really fucking sucks
               Em                G    D
I've got too much stuff.  I don't make enough
       G                    D
And soon, I'm gonna turn to dust
               Em  G  D
I'm gonna turn to dust
                     Em
And I'm afraid I don't care
         G              D
I'm afraid that I don't care

G                           D
Growing up, really fucking sucks
                  Em            G     D
I've fallen down, and I can't get up
         G                D
And soon I'm not gonna bother
```

```
                               Em  G  D
I'm going to lay on the ground until I die
                        Em
And I'm afraid I don't care
            G              D
I'm afraid that I don't care

G                                D
Growing up, really fucking sucks
                    Em                       G    D
I want to fall in love, but I don't love anybody
           G                         D
And soon there won't be nobody who'll want
               Em  G  D
To fall in love with me
            G              D
And I'm afraid that I don't care
           G              D
I'm afraid that I don't care

               G
I hate growing up
