

# Andrew Jackson Jihad - People

Tom: G

People are <sup>A</sup>wasteful, they waste all the food  
 People are <sup>E</sup>hateful and people are <sup>D</sup>rude  
 But God I <sup>A</sup>love some <sup>Db7</sup>people <sup>D</sup>sometimes <sup>A</sup>  
 Because people are <sup>E</sup>very, very <sup>A</sup>special  
 And people are <sup>E</sup>impatient, they don't know how to wait  
 People are <sup>A</sup>selfish and people are <sup>Db7</sup>prone to <sup>D</sup>hate <sup>A</sup>  
 But God I <sup>E</sup>love some <sup>A</sup>people <sup>E</sup>sometimes  
 Because people are <sup>Db7</sup>the <sup>D</sup>greatest thing to <sup>A</sup>happen  
 I said God I <sup>E</sup>love some <sup>A</sup>people <sup>E</sup>sometimes  
 Because people are <sup>E</sup>the <sup>A</sup>greatest thing to <sup>A</sup>happen  
 And people are <sup>E</sup>people regardless of <sup>E</sup>skin

People are <sup>A</sup>people <sup>Db7</sup>regardless of <sup>D</sup>creed <sup>A</sup>  
 People are <sup>E</sup>people <sup>Db7</sup>regardless of <sup>D</sup>gender <sup>A</sup>  
 People are <sup>E</sup>people <sup>Db7</sup>regardless of <sup>D</sup>anything <sup>A</sup>  
 I said <sup>E</sup>people are <sup>Db7</sup>people <sup>D</sup>regardless of <sup>A</sup>gender  
 People are <sup>E</sup>people <sup>E</sup>regardless of <sup>A</sup>anything  
 And people are <sup>E</sup>my <sup>E</sup>religion because I believe in them  
 People are <sup>A</sup>my <sup>Db7</sup>enemies and <sup>D</sup>people are <sup>A</sup>my friends  
 I have <sup>E</sup>faith in my <sup>A</sup>fellow man  
 And I only <sup>E</sup>hope that he has <sup>Db7</sup>faith in <sup>D</sup>me <sup>A</sup>  
 I said I have <sup>E</sup>faith in my <sup>Db7</sup>fellow man <sup>A</sup>  
 And I only <sup>E</sup>hope that he has <sup>Db7</sup>faith in <sup>D</sup>me <sup>A</sup>  
 I said I have <sup>E</sup>faith in my <sup>Db7</sup>fellow man <sup>A</sup>  
 And I only <sup>E</sup>hope that he has <sup>Db7</sup>faith in <sup>D</sup>me <sup>A</sup>
