

Andru Donalds - Save Me Now

tom:

Here I am
 In a place that I
 And out of love
 And afraid that you
 Won't let me in, no
 You came to me
 And I started to feel
 That my senses
 Had left me to die
 Where is my strenght
 When I need it the most
 Tell me what
 Have you done
 With my mind?
 Oh, save me now
 From the depth of my
 Infatuation
 I could drown
 In the sea of love
 And isola__tion
 I'll take you down
 If you just
 Save me now
 All the time
 That I gave away
 I'd give to you, oh
 And all the love
 That I never made
 I'd make to you, yeah
 Nothing would be
 More electric to me
 Than to give you
 A taste of the love
 That I hide

In my condition
 I'm totally lost
 Tell me what
 Have you done
 With my pride
 Oh, save me now
 From the depth of my
 Infatua__tion
 I could drown
 In the sea of love
 And isola__tion
 I'll take you down
 If you just
 Save me now
 Save me now
 (Em D G A)
 (Em D G A)
 Where is my strenght
 When I need it the most
 Tell me what
 Have you done
 With my mind?
 Oh, save me now
 From the depth of my
 Infatua__tion
 I could drown
 In the sea of love
 And isola__tion
 Won't you save me now
 I could draw, baby
 In the sea of love
 And isola__tion
 I'll take you down
 If you just
 Save me now
 Save me now
 Save me now
