

# Andy Gibb - I Just Want to Be Your Everything

tom:

Intro: **Fadd9** **F7** **Fadd9** **F7**  
**Fadd9** **F7** **A2**

For so long

You and me been finding each other for so long

And the feeling that I feel for you is more then strong, girl

Take it from me

If you give a little more then you're asking for Your love will

turn the key

Darling mine

I would wait forever for those lips of wine

Build my world around you, darling

This love will shine girl

Watch it and see

If you give a little more then you're asking for Your love will turn the key

Ah... I

I just want to be your everything

Open up the heaven in your heart and let me be

The things you are to me and not some puppet on a string

**D7M**  
 Ah... I

if I stay here without you, darling, I will die

I want you laying in the love I have to bring

I'd do anything to be your everything

( **A7M** **Bm7** **Gb7** **G** **E7** **F** )

Darling for so long

You and me been finding each other for so long

And the feeling that I feel for you is more then strong, girl

Take it from me

If you give a little more then you're asking for Your love will turn the key

Ah... I

I just want to be your everything

Open up the heaven in your heart and let me be

The things you are to me and not some puppet on a string

Ah... I

if I stay here without you, darling, I will die

I want you laying in the love I have to bring

I'd do anything to be your everything
